## PROXES® R888™

### D.O.T. APPROVED COMPETITION RADIAL

Introducing Toyo's next-generation D.O.T.-approved competition radial, the Toyo Proxes R888™. In competition, the R888's improvements in casing design and the new V-shaped tread pattern improves dry performance.

**PERFORMANCE**

Customer Benefit	Product Features
Competitive Handling and Improved Performance	<ul style="list-style-type: none"> <li>Advanced casing and V-shaped tread pattern</li> <li>Stiffer bead construction and wider tread width enable the R888 to generate more cornering force, with less heat degradation</li> <li>Spiral-wound cap ply (construction may vary by size)</li> </ul>
Steering Response	<ul style="list-style-type: none"> <li>Semi-slick shoulder area improves steering response</li> <li>Steel wire reinforced sidewalls (construction may vary by size)</li> </ul>
Braking Performance	<ul style="list-style-type: none"> <li>Continuous center contact increases braking performance and feel as compared to RA1™</li> <li>Tread depth can be shaved to maximize dry traction</li> </ul>
Wet Traction and Control	<ul style="list-style-type: none"> <li>The V-shaped tread design also enhances wet traction and control.</li> </ul>
